N/A

Course contents:

Here, an abstract of the course can be given or the different chapters of the course can be simply written down.

(The description should not take more than ten lines)

This course provides students with a general understanding of the business and marketing of fashion. This course is designed to help students to become familiar with the fashion business and “its industry”. It discusses the men's, women's and children's wear (how, when and why they were developed) and their interrelationships. It also discusses the interdisciplinary of the “fashion business” as it relates to historical, cultural, economical and political features.

2) WORKING LOAD
