Courses Taught in English

School of Engineering offers several bachelor programs fully in English and most of the other programs have a wide offer of courses in English. All Master programs are in English. Study areas include: construction engineering, mechanical engineering, computer science and informatics, graphic design, lighting design, product development, production systems, industrial engineering and management.

Full-time study load per semester: **30 ECTS credits**

Bachelor and Master level	Find courses here
Final Project Work/Thesis	It is sometimes possible for students coming from a partner university to do their Final Project Work/Thesis. This is not guaranteed and students are responsible for finding their own supervisor at School of Engineering. If students are interested in this, they need to be nominated well in advance*.
Summer School	https://ju.se/summerschool

Application Information

- Nominations are done online. Link will be sent to partners once nomination period is open.
 - Deadline for nominations: **Autumn: 25 April; Spring: 10 October ***
- Students will be sent a link to the online application once nominated.
 - Deadline. for student application: **Autumn: 1 May; Spring: 15 October**

Academic Calendar

General Requirements

- Bachelor level students: One year of completed university studies within the relevant field of study.
- Master level students: The equivalency of a bachelor's degree of at least 3 years.

Note: All students must fulfil the prerequisites of each chosen course. When signing the JU Course Confirmation, the home institution certifies that the student fulfils the prerequisites for each chosen course and language skills.

Language Requirements

Although language test scores are not formally required, all students are expected to meet School of Engineering's minimum **English** requirements. The home institution is responsible for insuring the fluency in English of the students. Students without the adequate level of English run the risk of failing the courses.

[English scores accepted](#)

Grading System

JTH uses a national grading system which is applied to all School of Engineering students:

NATIONAL GRADING TABLE • Fail or pass • OR • Fail or 3 (pass), 4 (good), 5 (very good)

[EGT Scale](#)

The grading table (EGT) can be included in the transcript of records for international students, if needed.

Study Levels

Bachelor level (first cycle)	
G1N	Has only upper-secondary level entry requirements
G1F	Has less than 60 credits in first cycle courses as entry requirements
G1E	Contains specially designed degree project of Higher Education diploma
G2F	Has at least 60 credits in first cycle courses as entry requirements
G2E	Has at least 60 credits in first cycle courses as entry requirements, contains degree project for Bachelor of Arts/Bachelor of Science

Master level (second cycle)	
A1N	Has only first cycle course(s) as entry requirements
A1F	Has second cycle course(s) as entry requirements.
A1E	Contains degree project for Master of Arts/Master of Science (60 credits)
A2E	Contains degree project for Master of Arts/Master of Science (120 credits)

Support for Students with Disabilities

JU facilitates special educational support for students with disabilities in order to help them to reach their full potential. [More information.](#)

Note: *It is important that students inform JU about this matter during their application.*

Practical Matters

■ Visa Requirements:

All students should have a valid passport for the period of their study in Jönköping. The visa requirement depends on the nationality of the student.

[Visa Requirements](#)

■ Health Insurance:

Exchange students admitted at JU receive a supplementary health insurance, which covers the students' medical treatment costs in Sweden. Since the insurance is for emergencies only, students are recommended to purchase a separate insurance of their own.

[Insurance terms](#)

Note: *Regarding medical care and dental care cover, this insurance does not apply for: Citizens of a Nordic country, EU/EEA country, Switzerland, or other country with which a convention regarding medical benefits exists. In these instances, the insured person must have an EU card or similar from their home country. Students will be expected to pay the same health care fees as Swedish residents.*

■ Accommodation:

JU guarantees accommodation for international students. Students need to pay a non-refundable application fee of 700 SEK in order to complete the accommodation application

[Accommodation](#)

■ Student Life:

The JU Student Union arranges different extracurricular activities for students such as the buddy program, host family, trips, cultural events, sports, among others. Students need to pay the compulsory student union fee of appr 350 SEK per semester.

[Student Union highlights](#)

■ Cost of Living:

Approximately 8 500 SEK. See estimation of [living expenses in Sweden](#)
